

FOR IMMEDIATE RELEASE

Brookstone Builders, Inc. Awarded BA Distributors Renovation Project

MANCHESTER, NH – (March 30, 2016) **Brookstone Builders, Inc.**, construction managers and general contractors headquartered in Manchester, New Hampshire, recently announced that they have been awarded a renovation project by **BA Distributors** of Manchester, NH.

The scope-of-work will include demolition and renovations at **SNG Barratt Group**, a classic and modern Jaguar parts distributor located at the Auburn Traffic Circle in Manchester, NH. The project will begin with the interior demolition of second-floor mezzanines and warehouse storage areas. It will also involve some minor roof repair along with the installation of new insulation to the building shell, and the installation of new electrical/data systems and LED lighting. In addition, the existing HVAC system will be extended into the warehouse areas. A new shipping and receiving area will also be created, including new walls, ceilings, lighting and finish work. The project is being done in preparation for a new warehouse racking system, which will be installed by the owner.

Jack Boardman will be Brookstone Builders' Project Manager for the project. Electrical work will be done on a design/build basis through **Titan Electric** of Manchester, NH.

"We're most pleased to be working with BA Distributors on this project," said Brookstone Builder's President **Paula Scales**. "Our teams are well-experienced in this type of renovation, and are also accustomed to maintaining the high-levels of safety required when working in or around occupied space."

A woman-owned enterprise, **Brookstone Builders, Inc.** was founded in 1984. The company provides commercial, industrial, and design-build solutions throughout northern New England, and has also been involved in a wide range of specialty and renovation projects.

For additional information please contact Ms. Paula Scales at (603) 641-9455 or visit www.brookbuild.com.
