## Brookstone Builders, Inc. Awarded Bristol-Myers Squibb Renovation Project

**MANCHESTER, NH** – (July 31, 2017) **Brookstone Builders, Inc.**, construction managers and general contractors headquartered in Manchester, New Hampshire, recently announced that they have been selected to perform an interior renovation project for **Bristol-Myers Squibb (BMS)**.

The undertaking will involve plumbing upgrades within multiple facilities at the Bristol-Myers Squibb campus in Devens, Massachusetts. The scope of work will include interior demolition, fixture upgrades and replacement, plumbing re-work, re-tiling, and finish work.

**Jay Gemmiti** will serve as Brookstone Builders' Project Manager.

"We have enjoyed our business relationship with BMS," said Brookstone Builder's President **Paula Scales**. "Our crews are well-experienced in the pharmaceutical sector, and are especially well-suited for working in and around occupied space, where heightened safety protocols, noise and dust abatement, and flexible, dependable scheduling are key requirements."

A woman-owned enterprise, **Brookstone Builders, Inc.** was founded in 1984. The company provides commercial, industrial, and design-build solutions throughout northern New England, and has also been involved in a wide range of specialty and renovation projects.
