## Brookstone Builders, Inc. Awarded Fort Devens Expansion Project

**MANCHESTER, NH** – (December 27, 2013) **Brookstone Builders, Inc.**, construction managers and general contractors headquartered in Manchester, New Hampshire, recently announced that they have been selected to perform an expansion project at **Fort Devens** in Ayer, Massachusetts.

The focus of this project involves the expansion of the armory section of the Marine Readiness Center. The scope of work will include demolition of existing walls and flooring, and will involve concrete, masonry, mechanical and electrical work associated with building the required fully-grouted concrete walls, concrete floors, ceilings and roof deck. When completed, the center's armament storage space will have doubled in size.

Brookstone Builders is acting as a sub-contractor on this project with **CCI Solutions** of Augusta, Maine serving as the primary general contractor. **Mark W. Gemmiti** will serve as Brookstone Builders' Project Manager.

"We appreciate being awarded this project as well as our business relationship with CCI Solutions," said Brookstone Builder's President **Paula Scales**. "Brookstone Builders has developed a successful track record for this type of expansion and renovation work, and our crews are especially well-suited to working in or around occupied space."

A woman-owned enterprise, **Brookstone Builders, Inc.** was founded in 1984. The company provides commercial, industrial, and design-build solutions throughout northern New England, and has also been involved in a wide range of specialty and renovation projects.
