

FOR IMMEDIATE RELEASE

## **BROOKSTONE BUILDERS, INC. AWARDED NEW CONSTRUCTION PROJECT BY TOWN OF HUDSON**

**MANCHESTER, NH** – (April 30, 2013) **Brookstone Builders, Inc.**, construction managers and general contractors headquartered in Manchester, NH, recently announced that they have been awarded a new construction project by the **Town of Hudson**.

Scheduled for a June ground-breaking, the project will involve the construction of a two-story, wood-framed building at 19 Kimball Hill Road in Hudson, NH, which is part of the former Benson's Wild Animal Park site.

Once completed, the 9,200 square-foot facility will feature offices and community space for the town's new Senior Center, as well as a suite outfitted for the Hudson Community Television (H.C.T.V.) Access Center.

"We're very happy to be working with the Town of Hudson," said **Paula Scales**, Brookstone Builders' President. "We have enjoyed business relationships with a number of municipalities over the years, and look forward to being part of Hudson's community enhancement process."

**Mark Gemmiti** will be Brookstone's Project Manager, and **Warrenstreet Architects** of Concord, NH will serve as the project's architects.

*Brookstone Builders, Inc is a woman-owned business* founded in 1984. The company provides commercial, industrial, and design-build solutions throughout northern New England, and has also been involved in a wide range of specialty and renovation projects.
