## Brookstone Builders, Inc. Awarded INTRALOT Renovation Project

**MANCHESTER, NH** – (February 26, 2021) **Brookstone Builders, Inc.**, construction managers and general contractors headquartered in Manchester, New Hampshire, recently announced that they have received an award to perform a renovation project for **INTRALOT**, a leading gaming solutions supplier and operator active in 42 regulated jurisdictions around the globe.

This initiative will involve the installation of a clean agent fire suppressant system to provide heightened protection for computer equipment and servers within INTRALOT's Sheep Davis Road facility in Concord New Hampshire.

The scope of work will also include installing a new HVAC system for enhanced temperature control and a bar alarm system in the facility's warehouse.

**Mark Brockelman** will serve as Brookstone Builders' Project Manager and **Lauer Architects** of Goffstown NH will be the project's architects.

"We are very happy to be working with INTRALOT on this project," said Brookstone Builder's President **Paula Scales**. "Our crews are especially well-suited to handling these types of renovations and adhering to the heightened safety and scheduling protocols necessary when working in and around occupied space."

A woman-owned enterprise, **Brookstone Builders, Inc.** was founded in 1984. The company provides commercial, industrial, and design-build solutions throughout northern New England, and has also been involved in a wide range of specialty and renovation projects.
