

FOR IMMEDIATE RELEASE

## Brookstone Builders, Inc. Awarded Lonza Biologics Project

**MANCHESTER, NH** – (February 8, 2016) **Brookstone Builders, Inc.**, construction managers and general contractors headquartered in Manchester, New Hampshire, recently announced that they have been selected to perform an architectural fit-up project for **Lonza Biologics, Inc.**

The scope-of work will include light-gauge metal framing, drywall, installation of doors and door-frames, installation of locker and washroom hardware, and select finish work to new space located at the Pease International Tradeport, a business and aviation industrial community in Portsmouth, New Hampshire.

**Integrated Product Services (IPS)** of Blue Bell Pennsylvania is the Designer & Construction Manager for this project. **Mark W. Gemmiti** will serve as Brookstone Builders' Project Manager, and **Ryan Ouellette** will serve as the Site Superintendent.

"We appreciate our relationship with both Lonza and IPS," said Brookstone Builder's President **Paula Scales**. "We have worked with IPS on numerous occasions over the years, and are especially appreciative of their professionalism and straightforward protocols for communication."

A woman-owned enterprise, **Brookstone Builders, Inc.** was founded in 1984. The company provides commercial, industrial, and design-build solutions throughout northern New England, and has also been involved in a wide range of specialty and renovation projects.

For additional information please contact Ms. Paula Scales at (603) 641-9455 or visit [www.brookbuild.com](http://www.brookbuild.com).
