Brookstone Builders, Inc. Completes Milton CAT Fast-Track Project

MANCHESTER, NH – (December 28, 2015) **Brookstone Builders, Inc.**, construction managers and general contractors headquartered in Manchester, New Hampshire, recently announced that they completed a fast-track project at **Southworth Milton, Inc.** of Milford, MA, a dealer of **Caterpillar** equipment that was founded in Concord, NH.

The project commenced in mid-July and involved the complete interior fit-up of Milton CAT's new 118,000+ square-foot sales and service campus in Londonderry, NH. The scope-of-work included metal stud framing, drywall, interior doors/hardware, windows, radiant-heated flooring plus finish carpentry work. The complex consists of sales and showroom space, offices, conference rooms, kitchen/break room, locker room, and large service areas.

Brookstone Builders served as a contractor to Construction Managers **New-Tech Co., Inc.** of Seekonk, Massachusetts. **Erik Crisman** was Brookstone Builders' Project Manager. **AMEC Foster Wheeler** of Portland, Maine was the architect, and **Colby Engineering** of Portland, Maine served as the project's structural engineers.

"We enjoyed working with Milton CAT and New-Tech Company," said Brookstone Builder's President **Paula Scales**. "We value the partnership, as well as the positive impact this new facility will have on the local economy."

A woman-owned enterprise, **Brookstone Builders, Inc.** was founded in 1984. The company provides commercial, industrial, and design-build solutions throughout northern New England, and has also been involved in a wide range of specialty and renovation projects.
