## Brookstone Builders, Inc. Awarded US Navy Shipyard Project

**MANCHESTER, NH** – (October 31, 2013) **Brookstone Builders, Inc.**, construction managers and general contractors headquartered in Manchester, New Hampshire, recently announced that they have been selected to perform a repair and renovation project by the **US Navy**.

The focus of this project is the repair of weather-related damages to several buildings at the **Portsmouth Naval Shipyard**. The scope-of-work will roof reparation or replacement, ceiling replacement, wall repairs, and all necessary finish work.

Brookstone Builders is acting as a sub-contractor on this project with **CCI Solutions** of Augusta, Maine serving as the primary contractor for maintenance at the shipyard. **Mark W. Gemmiti** will serve as Brookstone Builders' Project Manager.

"We appreciate our relationship with the Navy and CCI Solutions," said Brookstone Builder's President **Paula Scales**. "We also appreciate being awarded this project; though it's not a large undertaking, we have performed a number of renovations at the shipyard in recent years, and have always valued the Navy's streamlined approach and straightforward protocols for communication."

A woman-owned enterprise, **Brookstone Builders, Inc.** was founded in 1984. The company provides commercial, industrial, and design-build solutions throughout northern New England, and has also been involved in a wide range of specialty and renovation projects.
