BROOKSTONE BUILDERS, INC. COMPLETES PFIZER EXPANSION & RENOVATION PROJECT

MANCHESTER, NH – (March 21, 2014) **Brookstone Builders, Inc.**, construction managers and general contractors headquartered in Manchester, New Hampshire, recently announced that they have completed a renovation and expansion project for **Pfizer, Inc.** in Andover, Massachusetts.

The scope-of work involved converting existing classroom-training space into an expanded section of the on-site fitness center at Pfizer's Burt Road facility.

The complete renovation included the installation of full-wall mirrors, padded floors, walls, ventilation system, paint and finish work. The fitness center's overall footprint was doubled as a result of the construction.

Mark W. Gemmiti served as Brookstone Builders' Project Manager.

Brookstone Builders, Inc is a woman-owned business founded in 1984. The company provides commercial, industrial, and design-build solutions throughout northern New England, and has also been involved in a wide range of specialty and renovation projects.
