FOR IMMEDIATE RELEASE

## Brookstone Builders, Inc. Completes Saint Joseph Hospital Medical Center Project

**MANCHESTER, NH** – (February 28, 2023) **Brookstone Builders, Inc.**, construction managers and general contractors headquartered in Manchester, New Hampshire, recently announced that they have completed a renovation project in the **radiology department at St. Joseph Hospital Milford Medical Center**.

The project involved structural modifications, interior renovations, and the replacement of an X-ray machine at the Nashua Street facility. The scope of work included the replacement of an existing ceiling, the installation of structural supports, new walls, and the relocation of cabinetry and plumbing fixtures.

**Stephen Nichols** served as Brookstone Builders' Project Manager.

"We have enjoyed a very good working relationship with Saint Joseph Hospital over the years," said **Paula Scales**, Brookstone Builder's President. "We were particularly happy to have worked on this project as our crews are well-suited to the heightened safety, noise abatement, and more flexible scheduling protocols that are associated with working in and around occupied space."

A woman-owned enterprise, **Brookstone Builders, Inc.** was founded in 1984. The company provides commercial, industrial, and design-build solutions throughout northern New England, and has also been involved in a wide range of specialty and renovation projects.
