Brookstone Builders, Inc. Awarded Bedford, NH Renovation Project

MANCHESTER, NH – (May 29, 2017) **Brookstone Builders, Inc.**, construction managers and general contractors headquartered in Manchester, New Hampshire, recently announced that they have been selected to perform an interior renovation and fit-up project for **Aberdeen Growth, LLC** of Bedford, New Hampshire.

The undertaking will involve a complete new-construction fit-up of approximately 3000 square feet within an office building at 288 South River Road in Bedford. The scope of work will include the installation of electrical, plumbing, and HVAC systems, along with new drywall, ceilings, and flooring, and all interior finishes.

Jack Boardman will serve as Brookstone Builders' Project Manager, and architecture will be handled by **Dennis Mires P.A.** of Manchester, NH.

"We are happy to be working with Aberdeen Growth again," said Brookstone Builder's President **Paula Scales**. "Our crews are well-experienced in this type of interior renovation, and have completed similar projects for Aberdeen Growth in the past. We are always grateful to be selected to perform additional work."

A woman-owned enterprise, **Brookstone Builders, Inc.** was founded in 1984. The company provides commercial, industrial, and design-build solutions throughout northern New England, and has also been involved in a wide range of specialty and renovation projects.
