**FOR IMMEDIATE RELEASE**

## Brookstone Builders, Inc. Receives Wilton Recycling Center Project Award

**MANCHESTER, NH** – (May 30, 2025) **Brookstone Builders, Inc.**, construction managers and general contractors headquartered in Manchester, New Hampshire, recently announced that they have been awarded a demolition and construction project by the **Town of Wilton**.

The scope of work will involve the demolition of an existing structure at the recycling center on Gibbons Highway (Route 101) in Wilton, NH and the construction of a new 16' x 70' storage shed with metal siding and metal roof. The recycling center serves the towns of Wilton, Greenville, Mason, Lyndeborough, and Temple.

**Brookstone Builders, Inc.** will serve as the project's General Contractor, and **Prism Response dba Alloy** of North Reading, Massachusetts will be the demolition sub-contractor. **Miville Remodeling** of Candia, NH will also serve as a construction sub-contractor and **Paul Beaudet** will be Brookstone Builders' Project Manager.

"We have worked with the Town of Wilton in the past and appreciate our business relationship," said Brookstone Builder's President **Karen Scales**. "We're looking forward to completing another project for them."

A woman-owned enterprise, **Brookstone Builders, Inc.** was founded in 1984. The company provides commercial, industrial, and design/build solutions throughout northern New England, and has also been involved in a wide range of specialty and renovation projects.
