## Brookstone Builders, Inc. Awarded US Navy Shipyard Project

**MANCHESTER, NH** – (October 23, 2015) **Brookstone Builders, Inc.**, construction managers and general contractors headquartered in Manchester, New Hampshire, recently announced that they have been selected to perform a demolition and renovation project by the **US Navy**.

The project will involve interior updates in an existing structure at the **Portsmouth Naval Shipyard**. The scope-of-work will include the overall expansion of a kitchenette area, and will involve select demolition, the installation of new cabinetry and flooring, and finish work.

**Erik Crisman** will serve as Brookstone Builders' Project Manager, and Brookstone Builders will be the sub-contractor on this project, with **NADIAD, Inc.** of New Jersey serving as the primary contractor.

"We appreciate our professional relationships with the Navy and Nadiad, Inc.," said Brookstone Builder's President **Paula Scales**. "And we especially enjoy working with Navy's streamlined processes and straightforward protocols for communication."

A woman-owned enterprise, **Brookstone Builders, Inc.** was founded in 1984. The company provides commercial, industrial, and design-build solutions throughout northern New England, and has also been involved in a wide range of specialty and renovation projects.
