FOR IMMEDIATE RELEASE

Brookstone Builders, Inc. Receives Award for U.S. Navy Renovation Project

MANCHESTER, NH – (February 22, 2024) **Brookstone Builders, Inc.**, construction managers and general contractors headquartered in Manchester, New Hampshire, recently announced that they have been awarded a renovation project by the **U.S. Navy**.

The project will involve converting approximately 8,000 square-feet of warehouse space into offices on two levels within building 343 at the Portsmouth Naval Shipyard. The scope of work will include select interior demolition and the installation of new flooring, walls, ceilings, cabinetry, and finish work.

Stephen Nichols will serve as Brookstone Builders' Project Manager and the Construction Management firm representing the Navy will be **Benaka Inc**, a New Jersey based company. Architectural design will be handled by the Naval Facilities Engineering Systems Command (NAVFAC).

"We appreciate our ongoing relationship with the Navy," said Brookstone Builder's President **Paula Scales**. "It has been a great partnership involving numerous projects over many years, which have all been completed more effectively thanks to the Navy's streamlined processes and straightforward communication protocols."

A woman-owned enterprise, **Brookstone Builders, Inc.** was founded in 1984. The company provides commercial, industrial, and design-build solutions throughout northern New England, and has also been involved in a wide range of specialty and renovation projects.
