Brookstone Builders, Inc. Awarded U.S. Navy Expansion Project

MANCHESTER, NH – (January 20, 2017) **Brookstone Builders, Inc.**, construction managers and general contractors headquartered in Manchester, New Hampshire, recently announced that they have been selected to perform an expansion and renovation project by the **U.S. Navy**.

The undertaking will involve the interior renovation of the Crane Center in building 238 at the Portsmouth Naval Shipyard. The scope-of-work will include new walls and ceilings, HVAC and sprinkler systems, and finish work, and will double the square-footage of office space used by the shipyard's Crane Operations personnel.

Jay Gemmiti will serve as Brookstone Builders' Project Manager, and the prime contractor will be **Absolute Resource Associates** of Portsmouth, NH. **Dale Ciardelli** of the NAVSAC will be the project's architect.

"We truly value our long-standing relationship with the U.S. Navy," said Brookstone Builder's President **Paula Scales**. "In the case of this particular project, their straightforward communication protocols will help us more-easily keep scheduling and material handling on track; and our crews are well-experienced in adhering to the heightened safety, noise and dust abatement procedures that are necessary when working in or around occupied space."

A woman-owned enterprise, **Brookstone Builders, Inc.** was founded in 1984. The company provides commercial, industrial, and design-build solutions throughout northern New England, and has also been involved in a wide range of specialty and renovation projects.
