

**FOR IMMEDIATE RELEASE**

## Brookstone Builders, Inc. Awarded U.S. Navy Project

**MANCHESTER, NH** – (April 27, 2017) **Brookstone Builders, Inc.**, construction managers and general contractors headquartered in Manchester, New Hampshire, recently announced that they have been selected to perform a remediation and renovation project for the **U.S. Navy**.

The undertaking will involve interior work at the Day Care Center in building 342 at the Portsmouth Naval Shipyard. The scope-of-work will include replacing the ACT ceiling grid and tiles throughout the 6,500 square-foot-facility, reworking existing louver openings, repairing and replacing sheet rock, finishing and painting.

**Erik Crisman** will serve as Brookstone Builders' Project Manager, and the prime contractor will be **RTH Mechanical Contractors** of Brentwood, NH.

"We are most appreciative of our long-standing relationship with the U.S. Navy," said Brookstone Builder's President **Paula Scales**. "We have performed projects of varying types and sizes at the Shipyard, and consistently enjoy their straightforward processes and communication protocols, which facilitate simpler scheduling and planning."

A woman-owned enterprise, **Brookstone Builders, Inc.** was founded in 1984. The company provides commercial, industrial, and design-build solutions throughout northern New England, and has also been involved in a wide range of specialty and renovation projects.
