FOR IMMEDIATE RELEASE

Brookstone Builders, Inc. Receives Award for U.S. Navy Renovation Project

MANCHESTER, NH – (April 26, 2023) **Brookstone Builders, Inc.**, construction managers and general contractors headquartered in Manchester, New Hampshire, recently announced that they have been awarded a renovation project by the **U.S. Navy**.

The project will involve interior renovations and the creation of additional office space within an existing building (H23) at the Portsmouth Naval Shipyard.

The scope of work will include interior demolition, new flooring and walls, replacement of stair treads and doors, installation of new cabinetry, and finish work.

The project's prime contractor will be **Structural Associates Inc.** out of East Syracuse, NY. **Stephen Nichols** will serve as Brookstone Builders' Project Manager and architectural work is being handled by the Naval Facilities Engineering Systems Command (NAVFAC).

"We value our ongoing professional relationship with the Navy," said Brookstone Builder's President **Paula Scales**. "It has been a great partnership involving numerous projects over several years, which have all been completed more effectively thanks to the Navy's streamlined processes and straightforward protocols for communication."

A woman-owned enterprise, **Brookstone Builders, Inc.** was founded in 1984. The company provides commercial, industrial, and design-build solutions throughout northern New England, and has also been involved in a wide range of specialty and renovation projects.
