

FOR IMMEDIATE RELEASE

## **BROOKSTONE BUILDERS, INC. AWARDED VA BOILER PLANT SAFETY IMPROVEMENT PROJECT**

**MANCHESTER, NH** – (March 25, 2013) **Brookstone Builders, Inc.**, construction managers and general contractors headquartered in Manchester, New Hampshire, recently announced that they have been awarded a safety improvement project for the **Veterans Administration Hospital** in Manchester, New Hampshire.

Brookstone will be providing field supervisory services as part of a collaborative effort with **Veterans Development Corporation of Braintree, MA**. Additional scope to Veterans Development mechanical improvements will include light masonry work, concrete demolition and replacement, and structural steel modifications that will result in enhanced boiler plant safety and efficiency.

**Mark Gemmiti** will be Brookstone's Project Manager, and **Mario Machado** will serve as the onsite Superintendent.

*Veterans Development Corporation, Inc.* is a registered and certified *Service Disabled Veteran Owned Small Business* (SDVOSB) corporation. Headquartered in Braintree Massachusetts, the company delivers general construction and Design/Build services.

*Brookstone Builders, Inc* is a woman-owned business founded in 1984. The company provides commercial, industrial, and design-build solutions throughout northern New England, and has also been involved in a wide range of specialty and renovation projects.

For additional information please contact Ms. Paula Scales at (603) 641-9455 or visit Brookstone Builders' website at [www.brookbuild.com](http://www.brookbuild.com). ###
