

FOR IMMEDIATE RELEASE

BROOKSTONE BUILDERS, INC. COMPLETES VA SAFETY IMPROVEMENT PROJECT

MANCHESTER, NH – (August 26, 2013) **Brookstone Builders, Inc.**, construction managers and general contractors headquartered in Manchester, New Hampshire, recently announced that they have completed a safety improvement project for the **Veterans Administration Hospital** in Manchester, New Hampshire.

The scope-of-work involved field supervisory services as part of a collaborative effort with **Veterans Development Corporation of Braintree, MA**. Various mechanical improvements in the boiler plant, including masonry work, concrete demolition and replacement, as well as structural steel modifications resulted enhanced safety and efficiency.

Mark Gemmiti was Brookstone's Project Manager, and **Mario Machado** was the onsite Superintendent.

Veterans Development Corporation, Inc. is a registered and certified *Service Disabled Veteran Owned Small Business* (SDVOSB) corporation. Headquartered in Braintree Massachusetts, the company delivers general construction and Design/Build services.

Brookstone Builders, Inc is a woman-owned business founded in 1984. The company provides commercial, industrial, and design-build solutions throughout northern New England, and has also been involved in a wide range of specialty and renovation projects.
