Brookstone Builders, Inc. Awarded State of NH Upgrade Project

MANCHESTER, NH (March 6, 2020) – Brookstone Builders, Inc., construction managers and general contractors headquartered in Manchester, New Hampshire, recently announced that they have been awarded an upgrade renovation project by the **State of New Hampshire Department of Public Works**.

The project will involve the replacement of a cooling tower and the installation of all new HVAC controls throughout the Walker building, which is located in the State office park's south campus on South Fruit Street in Concord. The scope of work will include select demolition, the installation of new piping, new wiring, and finish work.

The facility will remain fully operational during the renovation.

Mark Brockelman will serve as Brookstone Builders' Project Manager, and **Yeaton Associates** of Bedford, New Hampshire will be the project's engineers.

"We have enjoyed a relationship with the State of New Hampshire for many years, and appreciate this award," said **Paula Scales**, President of Brookstone Builders, Inc. "Our crews are well experienced with working in-and-around occupied space and are highly familiar with the enhanced safety requirements as well as the extra noise and dust abatement protocols."

A woman-owned enterprise, **Brookstone Builders, Inc.** was founded in 1984. The company provides commercial, industrial, and design-build solutions throughout northern New England, and has also been involved in a wide range of specialty and renovation projects.

For additional information please contact Ms. Paula Scales at (603) 641-9455 or visit www.brookbuild.com. ###
