## Brookstone Builders, Inc. Awarded State of NH Renovation Project

**MANCHESTER, NH** – (March 26, 2021) **Brookstone Builders, Inc.**, construction managers and general contractors headquartered in Manchester, New Hampshire, recently announced that they have been awarded a renovation project by **New Hampshire Hospital**.

The project will involve the renovation of two wings in the hospital's behavioral health facility on Clinton Street in Concord, with a primary objective of improving overall workflow and operational efficiency.

The scope of work will include select demolition and the installation of widened doorways, new walls, flooring, and ceilings along with fixtures and finishes.

**Scott Launier** will serve as Brookstone Builders' Project Manager, and the project's architect will be **JSA Design** of Portsmouth, NH.

"Our crews are well-experienced with both renovation projects and working in the healthcare sector," said Brookstone Builder's President **Paula Scales**. "And we have always enjoyed doing business with the State of New Hampshire. Our relationship has spanned many years, and we appreciate their straightforward communication protocols and consistent work processes."

A woman-owned enterprise, **Brookstone Builders, Inc.** was founded in 1984. The company provides commercial, industrial, and design-build solutions throughout northern New England, and has also been involved in a wide range of specialty and renovation projects.
