Brookstone Builders, Inc. Receives Pfizer Renovation Project Award

MANCHESTER, NH – (July 7, 2026) Brookstone Builders, Inc., construction managers and general contractors headquartered in Manchester, New Hampshire, recently announced that they have been awarded an interior renovation project by **Pfizer Inc.**

The scope of work will involve acoustical ceiling tile replacement at the Pfizer Pharmaceutical campus in Andover, Massachusetts. **Stephen Nichols** will be Brookstone Builders' Project Manager.

"We are excited to be working with Pfizer again and to continuing our business relationship," said **Karen Scales**, Brookstone Builder's President. "We have completed many projects for Pfizer over the years, and our crews are especially well suited for this type of renovation, which requires heightened scheduling, safety, dust control, and noise abatement protocols for working in and around occupied space."

A woman-owned enterprise, **Brookstone Builders, Inc.** was founded in 1984. The company provides commercial, industrial, and design/build solutions throughout northern New England, and has also been involved in a wide range of specialty and renovation projects.
