

FOR IMMEDIATE RELEASE

Brookstone Builders, Inc. Completes St. Mary's Bank Renovation Project

MANCHESTER, NH (September 29, 2020) – Brookstone Builders, Inc., construction managers and general contractors headquartered in Manchester, New Hampshire, recently announced that they have completed a major renovation project at **St. Mary's Bank**.

The project involved the total interior and exterior renovation of a former bank building located at 4 Northwest Boulevard in Nashua, NH. The scope of work included interior and exterior demolition, and the installation of new siding, roofing, mechanical and electric systems, HVAC, walls, and floors along with finish work throughout the building, which is approximately 2,500 square feet in size. The new branch now features an open concept layout similar to other St. Mary's Bank locations.

Mark Brockelman was Brookstone Builders' Project Manager, and **Kurt Lauer** of Goffstown, New Hampshire served as the project's architects.

"We enjoyed working with St. Mary's on this project, and especially appreciated their accessibility and open communication," said **Paula Scales**, President of Brookstone Builders, Inc. "Our crews are well experienced with all aspects of renovation work, and with adhering to the enhanced safety and scheduling protocols that are typically associated."

A woman-owned enterprise, **Brookstone Builders, Inc.** was founded in 1984. The company provides commercial, industrial, and design-build solutions throughout northern New England, and has also been involved in a wide range of specialty and renovation projects.
