Brookstone Builders, Inc. Completes State of NH Fish & Game Project

MANCHESTER, NH – (June 12, 2026) **Brookstone Builders, Inc.**, construction managers and general contractors headquartered in Manchester, New Hampshire, recently announced that they have completed a demolition and construction project for the **State of New Hampshire Fish & Game Department**.

The scope of work involved the demolition of an existing cottage at the 53 Emery Lane site in Greenland, the construction of a 50' x 38' three-bay garage, landscaping around a pavilion, building a stone patio, and paving portions of the access road and parking areas.

Stephen Nichols was Brookstone Builders' Project Manager and the project's architect was **Oak Point Associates** of Portsmouth, New Hampshire.

"We have appreciated our long-standing business relationship with the State of New Hampshire," said Brookstone Builder's President **Karen Scales**. "We're looking forward to continuing that relationship and to the possibility of serving as a resource for future projects."

A woman-owned enterprise, **Brookstone Builders, Inc.** was founded in 1984. The company provides commercial, industrial, and design/build solutions throughout northern New England, and has also been involved in a wide range of specialty and renovation projects.
