Brookstone Builders, Inc. Completes TDS Telecommunications New Construction Project

MANCHESTER, NH – (April 27, 2021) **Brookstone Builders, Inc.**, construction managers and general contractors headquartered in Manchester, New Hampshire, recently announced that they have completed a new construction project at the **TDS Telecommunications LLC** campus in Wilton, NH.

This initiative involved building approximately 2200 square feet of new garage and office space at TDS's Main Street location in Wilton.

The scope of work included the demolition of an existing facility, foundation work, the construction and complete fit-up of a new wood-framed building, and related site work.

Mark Brockelman was Brookstone Builders' Project Manager, and the project's architect was Strang Architecture, Engineering & Interior Design of Madison, Wisconsin.

"We truly value this new business relationship with TDS Telecommunications," said Brookstone Builder's President **Paula Scales**. "The project was well-planned by their team and the work was completed on schedule."

Headquartered in Madison, Wisconsin, **TDS Telecommunications LLC** (TDS Telecom/TDS®) delivers high-speed internet, television entertainment, and phone services to nearly 900 rural, suburban, and metropolitan communities across the U.S.

A woman-owned enterprise, **Brookstone Builders, Inc.** was founded in 1984. The company provides commercial, industrial, and design-build solutions throughout northern New England, and has also been involved in a wide range of specialty and renovation projects.
